Art Unit 122

No additional references are cited.

Claims 1-11 and 13-16 remain in this case.

Claims 1, 13 and 14 are again rejected under 35 USC 112, par. 1 as being based on a non-enabling disclosure by the recitation of the term "aralkyl". By merely limiting the "alkyl" portion of the term is not deemed to be sufficient to overcome the rejection since the "aryl" portion of the term reads on aromatic systems not finding adequate support in the disclosure and not shown to possess the disclosed utility. It is suggested that the term be limited to compounds finding adequate and effective support in the disclosure.

Claims 2-11, 15 and 16 are objected to as depending from a rejected claim. The claims are otherwise allowable.

Claims 1, 13 and 14 are rejected.

This rejection is made FINAL.
